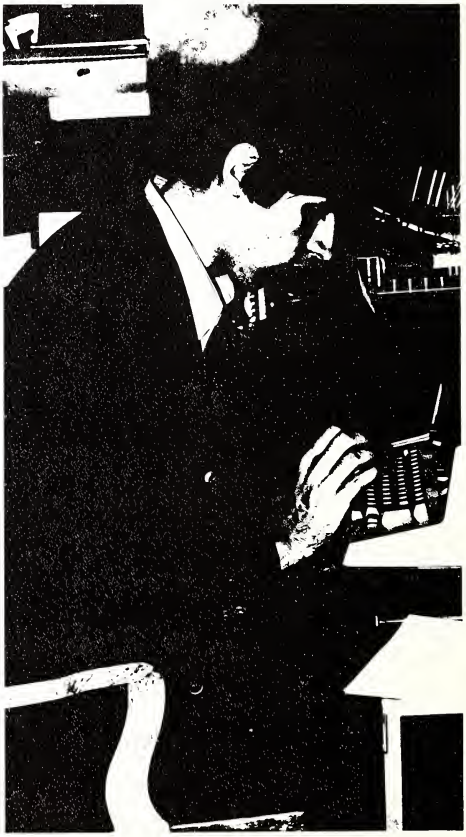
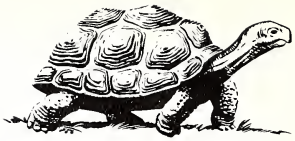
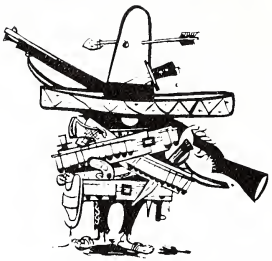
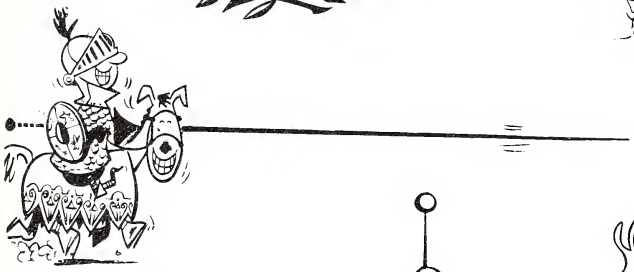
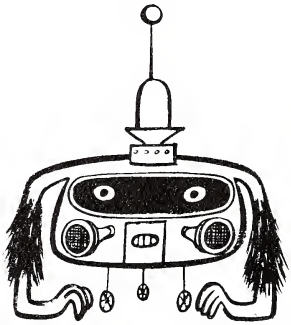
LIMP AND FLACID NO NAIL!





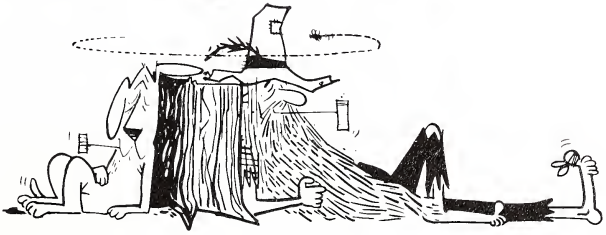


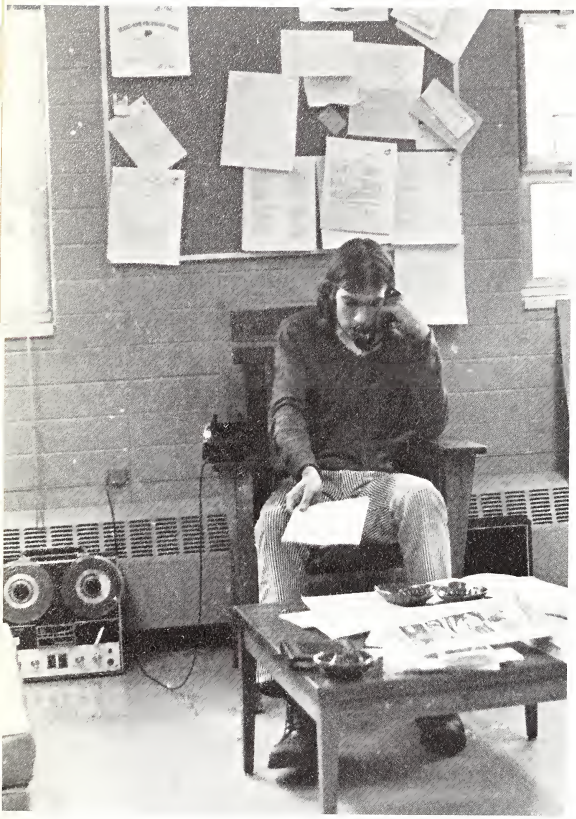




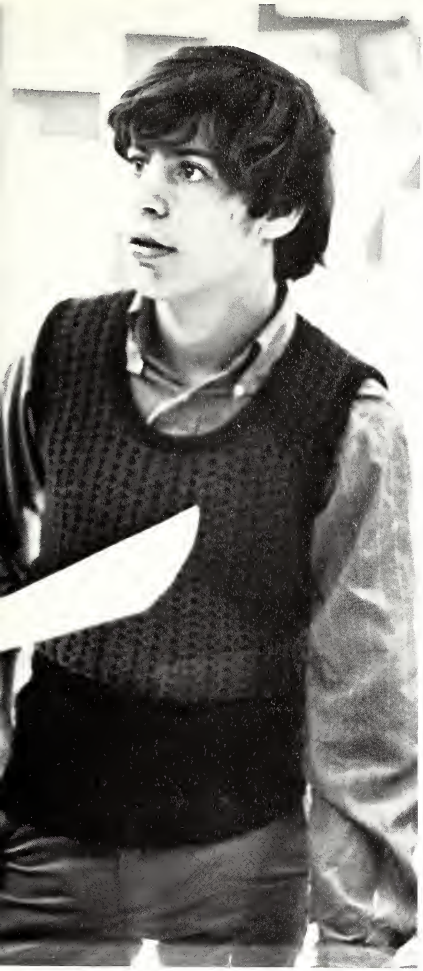
In the long run, every government is the exact symbol of its people, with their wisdom and unwisdom

Thomas Carlyle





PRESS on



Up against the wall

FIFTH COLUMN

...of vacations drop, they would then start cracking down again in an attempt to break the strike.

However, successfully carried out for an indefinite period of time, the administration would have virtually no defense against such tactics. If students truly want "student government" and "student self-determination," then they should be willing to take the necessary steps without fear or hesitation.

...their academic exams, and ... who are here ... requiring standard ... required A's. If ... way of going ... excited about ... are doing real ... When time ... grading syste...
